

Weekly timesheet

One row per day. Total the week at the bottom, then split regular and overtime at 40 hours.

Day	Time in	Time out	Break (min)	Job	Hours
Monday					
Tuesday					
Wednesday					
Thursday					
Friday					
Saturday					
Sunday					

Biweekly timesheet

Two week blocks. Overtime is computed inside each week, never from the period total.

Day	Time in	Time out	Break (min)	Job	Hours
Monday					
Tuesday					
Wednesday					
Thursday					
Friday					
Saturday					
Sunday					

Day	Time in	Time out	Break (min)	Job	Hours
Monday					
Tuesday					
Wednesday					
Thursday					
Friday					
Saturday					
Sunday					

Construction timesheet

Job and cost codes per day, so the week can be totalled per job at the end of it.

Day	Time in	Time out	Break	Job code	Cost code	Hours
Monday						
Tuesday						
Wednesday						
Thursday						
Friday						
Saturday						
Sunday
